B. Braun Nutrition Therapy - Improving life together

April 16 - 17, 2021 | Live Online Training

Endorsed by:

B|BRAUN
SHARING EXPERTISE

We are happy to invite you to "NutriTalks - B. Braun Nutrition Therapy - Improving life together". In cooperation with the **Aesculap Academy**, we have planned a very comprehensive **Therapy Safety Training** filled with interesting topics of the highest scientific level in the field of clinical nutrition.

PREFACE

Lately, times have been challenging for everyone. In order to preserve, keep and strengthen our cooperation and our exchange, we are offering this virtual training on the topics of nutrition therapy in ICUs, in oncology and along the patient pathway. Additionally, we will also look at the safe preparation of parenteral nutrition at the Pharmacy.

Learn from key opinion leaders, our medical scientific affairs department and global product managers and get to know our attractive **exhibition area** in a modern digital environment.

To cover all time zones and to offer our customers flexibility, the event will be repeated in reverse order on the second day.

PROGRAM

FRIDAY | APRIL 16, 2021 台灣時間:15:00~23:30

(UTC +2 / CET)

09:00 Welcome & Introduction

DATA PROTECTION

The controller according to GDPR is Aesculap Akademie GmbH. We process your personal data exclusively for the purpose of holding and organizing this event based on your registration (legal basis: Art. 6 (1) (b) GDPR). For this purpose, your data is processed on a common platform of the B. Braun Group.

According to competition legislation, we are allowed to inform you about future events by mail or email. You may object to this at any time by sending an email to datenschutz@aesculap-akademie.de.

The same applies to the exercise of your rights as a data subject (e.g. right to information). Further information on data protection can be found on the [Aesculap Academy website](#).

Please note that you have to provide your contact details when dialing into the event. The information you provide (name, email address, phone number if necessary) will be visible to all participants of the meeting. For this reason, you should avoid using your private data (email address, phone number if necessary) when dialing in.

Furthermore there will be a recording of the meeting for documentation purposes and for sharing the recording with all participants of the meeting as well as for a possible publication. For this reason you can turn off your camera during the meeting if you do not want to be recorded. Then only your voice will be recorded if you take part in the discussions during the meeting.
